Quality Assurance

Chemical Analysis:
The fat and solids content varies by flavor. See the Nutrition Facts box for more detailed information.

Storage & Warehousing:
Products must be stored and handled under clean, sanitary conditions and at temperatures to maintain product at ≤ -20°F for long-term storage or ≤ -10°F for short-term storage.

Allergen Alert:
Contains milk.

Microbiological Limits:
Fresh Coll <20/gram
Fresh SPC <10,000/gram
Stress Coll <20/Gram

Packaging Requirements:
Packaged in a cylindrical kraftboard container with a stabilizing plastic ring. The lid is of composed of a similar material. Each package contains two identification labels, on each the lid and sidewall. The product is stored and delivered as individual units.

Shelf Life:
One year under proper storage conditions. The product is coded with the date of manufacture using a three-digit Julian date and a two-digit year.

Flavor/Color/Body/Texture:
A frozen dessert made of milk and cream, combined with flavoring and sweeteners. This mixture is stirred during freezing to incorporate air and quickly frozen to result in a smooth texture. See description for more specific details.

Description:
Rich, smooth naturally flavored chocolate ice cream.
