Other Claims:
Kosher: D

rBST:
The milk comes from cows not treated with rBST. No significant difference has been shown between milk derived from rBST treated and non-rBST treated cows.

Microbiological Limits:
Fresh Coll <20 gram
Fresh SPC <10,000 gram
Stress Coll <20 gram

Packaging Requirements:
Packaged in a cylindrical kraftboard container with a stabilizing plastic ring. The lid is composed of a similar material. Each package contains two identification labels, on each the lid and sidewall. The product is stored and delivered as individual units.

Sheelf Life:
One year under proper storage conditions. The product is coded with the date of manufacture using a three-digit Julian date and a two-digit year.

Flavor/Color/Body/Texture:
A frozen dessert made of milk and cream, combined with flavorings and sweeteners. This mixture is stirred during freezing to incorporate air and quickly frozen to result in a smooth texture. See description for more specific details.

Description:
Naturally flavored strawberry ice cream with bits of real strawberries
