Microbiological Limits:
Fresh Coll <20/gram
Fresh SPC <10,000/gram
Stress Coll <20/Gram

Packaging Requirements:
Packaged in a cylindrical kraftboard container with two stabilizing metal rings. The lid is composed of a similar material. Each package contains two identification labels, on each the lid and sidewall. The product is stored and delivered as individual units.

Shelf Life:
One year under proper storage conditions. The product is coded with the date of manufacture using a three-digit Julian date and a two-digit year.

Flavor/Color/BODY/Texture:
A frozen dessert made of milk and cream, combined with flavorings and sweeteners. This mixture is stirred during freezing to incorporate air and quickly frozen to result in a smooth texture. See description for more specific details.

Description:
Naturally flavored fat free vanilla yogurt
