Quality Assurance

Chemical Analysis:
The fat and solids content varies by flavor. See the Nutrition Facts box for more detailed information.

Storage & Warehousing:
Products must be stored and handled under clean, sanitary conditions and at temperatures to maintain product at ≤ -20°F for long-term storage or ≤ -10°F for short-term storage.

Allergen Alert:
None

Nutrition Facts

Other Claims

Kosher: U

rBST: The milk comes from cows not treated with rBST. No significant difference has been shown between milk derived from rBST treated and non-rBST treated cows.

Microbiological Limits:
Fresh Coll <20/gram
Fresh SPC <10,000/gram
Stress Coll <20/gram

Packaging Requirements:
Packaged in a cylindrical kraftboard container with a stabilizing plastic ring. The lid is composed of a similar material. Each package contains two identification labels, on each the lid and sidewall. The product is stored and delivered as individual units.

Shelf Life:
One year under proper storage conditions. The product is coded with the date of manufacture using a three-digit Julian date and a two-digit year.

Flavor/Color/Body/Texture:
A smooth frozen dessert made from sweetened water, flavored with fruit juices and purees.

Description:
Sorbet flavored with passion fruit puree
